Analysis by the Legislative Reference Bureau

Current law allows a school board to enter into a five-year renewable achievement guarantee (SAGE) contract with the Department of Public Instruction DPI to reduce class size and improve academic achievement in grades kindergarten to three in exchange for receiving \$2000 for each low-income pupil enrolled in grades eligible for funding in the school district. The most recent set of SAGE contracts expires at the end of the 2005-06 school year.

This bill authorizes another set of SAGE contracts, starting in the 2006-07 school year and increases the \$2000 per pupil payment to \$2500 for these new contracts and for renewals of existing contracts.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.
